We are global logistics operators

ABOUT US

ANEXA LOGÍSTICA is a family company with 100% Spanish and independent capital, evolving to become an **International Logistics Operator** offering dynamic, flexible and efficient solutions to the needs of each of our clients.

We are located in **Ribarroja del Turia**, a strategic industrial enclave in the Valencian Community due to its direct connections to the port, airport and the city's main transit routes.

Global Logistics Operator, with more than 1,000 m² of offices and 15,000 m² for handling and storage

We are members of the **ASTRE IBERICA** network, with our **own fleet of more than 1,700 vehicles in Spain and Portugal. More than 300 offices in more than 10 countries in the European Union, including Belgium, France, Germany, Italy, the Netherlands, Spain and the United Kingdom, and the trust of more than 70,000 customers throughout Europe.** Guaranteeing capillary international distribution and a strong presence in the main European logistics networks.

Also **LOGNET GLOBAL Logistics Network** and **WCA**, an extensive network of agents worldwide to manage each and every one of its services, both full container load (FCL) and consolidated (LCL) sea and air.

Providing comprehensive and competitive logistics solutions in all major markets around the world, but with local expertise and personal approach.

CULTURE OF IMPROVEMENT & INNOVATION

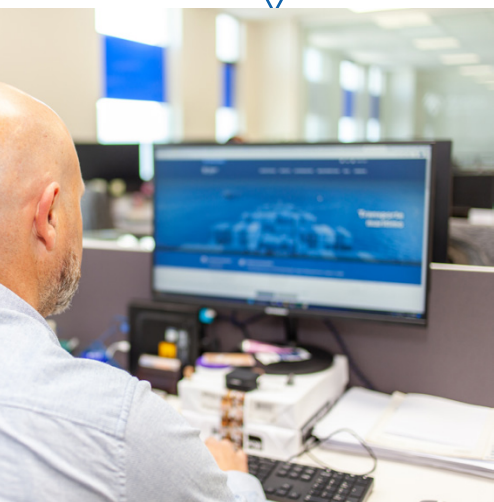

Our operations are guaranteed with ISO 9001: 2015 certifications for quality and safety in the management and execution of all our logistics and transport operations and GDP (Good Distribution Practice) of products for pharmaceutical, cosmetic and food use. Key systems in this strategic area of safety and traceability.

ANEXA 4.0

With the aim of reinforcing the security and traceability of our clients' goods and offering integral B2B, B2C and B2B2C logistics solutions, at Anexa Logística we have:

- ◆ **State-of-the-art ERP, integral technological solution**
- ◆ **WMS, warehouse management system**

This provides us with a 360° vision of operations, automating information on inputs, outputs, picking and packing in real time, managing cross-docking operations, logistics and customs warehousing.

COLLABORATIVE SUPPLY CHAIN PORTAL

- ◆ Continuous information on operations, anomalies and alerts
- ◆ Traceability, analytics and reporting KPIs to improve strategic decision making

SOCIAL COMMITMENT

Social commitment has always been in the DNA of ANEXA LOGÍSTICA, collaborating in fundraising for charitable causes such as the fight against childhood cancer with the **ASPANION Association**, **MANOS UNIDAS** and **FARMAMUNDI**.

We also collaborate with the sponsorship of children's basketball and athletics teams, as well as in sporting events related to sustainability.

OUR SERVICES

GLOBAL FORWARDING

ANEXA LOGÍSTICA handles a wide range of door-to-door shipments, DDP or door-to-door pick-up and delivery, collection at point of origin, transfer to (aero)port, customs, inland transport, customs clearance at destination, whether it's in the transport of smaller loads or conventional containers, as well as special equipment, dangerous goods, oversized, oversized and / or refrigerated cargo units.

With local supervision anywhere in the world through our global network of international transport specialists.

SEA & AIR TRANSPORT

With over 20 years of industry expertise, our expert team is accustomed to handling any type of specific documentation and can advise you on any aspect of foreign trade wherever you need to manage any and all of your full container load (FCL), sea groupage (LCL), reefer containers, open top containers and container flat rack services.

Through our extensive network of agents worldwide we can offer you representation, advice and global solutions for your import or export airfreight requiring very fast transit times.

CUSTOMS CLEARANCE

We manage all your customs needs with our customs clearance services and management of customs procedures, guaranteeing the development of your commercial activity.

We efficiently manage the documentary and administrative process. Your obligations, rights and taxes through a high quality service with the aim of providing you with the security and guarantees required by customs regulations.

OMNICHANNEL LOGISTICS

ANEXA LOGÍSTICA is the partner specialising in omnichannel logistics that offers a comprehensive portfolio of integrated services for the Supply Chain. The best Omnichannel Logistics with B2B, B2C and B2B2C solutions: reception and dispatch, warehousing, order preparation with both single and full-package picking, cross docking, special handling, inventory management and reverse logistics.

As members of **ASTRE IBERICA**, we provide our customers with more than 335,000 m² in logistics facilities strategically distributed throughout Spain and Portugal and, at European level, more than 3,400,000 m² dedicated exclusively to storage logistics.

MULTI-CLIENT SOLUTION

TAKE YOUR LOGISTICS TO THE NEXT LEVEL

A solution that will allow you to have total control over your goods, be more competitive and efficient, maximum agility, flexibility, transparency and information with the best B2B, B2C and B2B2C integrated logistics solutions.

LOGISTICS CONSULTANCY

We offer **logistics** and **supply chain consultancy** through a technical audit, analysing your products, strategies and objectives. We offer ad hoc solutions to optimise costs and improve our clients' service levels.

Flexibility, dynamism, information flow and **total collaboration** are our maxims during the mission to customise each logistics project to the customer's needs.
